About 20 years ago, Harold Hamlyn, the builder of the original Hamlyn Bros. Circus in 1/12 scale, passed away and left his entire circus of 62 wagons, all the tents and equipment to the Al G. Barnes Ring of the Circus Model Builders. Elbert Swerdfefer, the ringmaster of the ring, allowed the members to pick and choose the wagons they would like to remember their friend Harold. I was fortunate in being able to choose several cages, one of the side show wagons, the horse tent wagon but no horses and a couple of
